PRODUCT FICHE: Water heaters			
Supplier's name	1		Frigicoll SA
Series	2		RSJ-16
Model	3		RSJ-16/190
Size	4		190
Declared load profile	5		L
Class	6		A+
η_{WH}	7	%	115
Q_{HE}	8	kWh	890
Thermostat temperature settings	9		53
$L_{WA, IN}$	10	dB	58
Precautions	11		See use and maintenance manual
Enabled smart control settings	12		

Legend:

1. Supplier's name or trademark.
2. Supplier's model identifier.
5. Declared load profile, expressed by the appropriate letter and typical usage in accordance with Table 3 of Annex VII.
6. Water heating energy efficiency class of the model, determined in accordance with point 1 of Annex II, whereby: for solar water heaters and heat pump water heaters, under average climate conditions.
7. Water heating energy efficiency in %, rounded to the nearest integer and calculated in accordance with point 3 of Annex VIII, whereby: for solar water heaters and heat pump water heaters, under average climate conditions.
8. Annual electricity consumption in kWh in terms of final energy and/or the annual fuel consumption in GJ in terms of GCV, rounded to the nearest integer and calculated in accordance with point 4 of Annex VIII, whereby: for solar water heaters and heat pump water heaters, under average climate conditions.
9. Thermostat temperature settings of the water heater, as placed on the market by the supplier.
10. The sound power level LWA, indoors, in dB, rounded to the nearest integer (for heat pump water heaters if applicable).
11. Any specific precautions that shall be taken when the water is assembled, installed or maintained.
12. Where the value of smart is declared as being '1', an indication that the information on water heating energy efficiency, annual electricity and fuel consumption, as applicable, relate to enabled smart control settings only.
